

The background features a complex, abstract design. At the top, there is a dense, multi-colored pattern of horizontal lines and shapes in shades of green, yellow, and black. Below this, the background is a light gray with scattered, colorful geometric elements: a purple and brown oval on the right, a purple and green semi-circle on the left, and various smaller circles and lines in orange, green, and purple. The text is centered in the upper half of the page.
