

THE C A T E

MANAGEMENT

USF's Graduate Certificate in Technology Management, offered fully online by the Department of Industrial & Management Systems Engineering, is for those with technical backgrounds who wish to move into management.

This certificate program teaches students how to combine qualitative approaches with quantitative methods resulting in a strengthening of engineer-

ing credentials and the development of managerial competency.

The curriculum includes coursework that covers finance, human relations, project management, quality control, operations and marketing up to 12

WWW

Course Requirements (15 Semester Hours)

This fully online graduate certificate consists of two required courses and three electives. Students pursuing a graduate certificate will be required to meet the same academic requirements as those defined for degree-seeking students to remain in good standing.

Required courses (6 credit hours):

- EIN 5182 - Principles of Engineering Management (3)
- EIN 6386 - Management of Technological Change (3)

Elective courses (9 credit hours):

Select three courses from the following list:

- ESI 5306 - Operations Research for Managers (3)
- EIN 5350 - Technology and Finance (3)
- EIN 6108 - Human Relations (3)
- EIN 6319 - Work Design & Productivity Engr. (3)
- EIN 5224 - TQM Concepts (3)
- EIN 6336 - Production Control Systems (3)
- EIN 6145 - Project Management (3)
- EIN 6121 - Technology & Markets (3)
- EIN 6106 - Technology & Law (3)
