IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control

---

25 and over	50%
Age unknown	0%

First-time, full-time bachelor's seeking student retention rate	80%
First-time, part-time bachelor's seeking student retention rate	33%
Graduation rate cohort as percent of total entering students	15%

Percent of graduate students who are female	65%
Percent of graduate students who are full-time	20%
