## How to maintain Company

1. Regular maintenance is essential for the longevity and safety of your vehicle. This includes oil changes, tire rotations, and brake inspections.

2. Always use the correct oil grade and quantity as specified in the owner's manual.

3. Check tire pressure regularly and maintain the recommended PSI.

4. Inspect brakes for wear and replace them as needed.

5. Wash your vehicle regularly to prevent rust and maintain its appearance.
